

Why is *Ho Math and Chess*™ unique?

Ho Math and Chess is the world leader in integrated math and chess teaching and the creator of the world's first math and chess integrated workbooks. The purposes of these effective workbooks are to:

- Improve math marks and problem solving ability.
- Boost brainpower.
- Advance chess knowledge.

12 worldwide franchisees have joined Ho Math and Chess team, your children could benefit too by enrolling in Ho Math and Chess program. Please phone Frank Ho at 604-263-4321 to find out more details.

Testimonials, sample material, and franchise information can be found at www.mathandchess.com.
